Dear Mr Pasquale

On behalf of the Australian Indigenous Education Foundation, I would like to personally thank you for your donation to celebrate the Marriage of Geoffrey Edelsten and Brynn Gordon.

With your support, we can enable more Indigenous children to access a high quality and holistic education in a safe and supportive school environment.

The schools we partner with have a demonstrated commitment with successful outcomes for Indigenous students. And now, with your help, we are accelerating the growth of Indigenous enrolments within these leading schools.

By working with leading schools that have this demonstrated commitment, we can have a high degree of confidence in the prospects for more successful educational outcomes and opportunities to transition to meaningful careers for Indigenous students.

I invite you to visit our website at www.aief.com.au to find out more about the work of the Australian Indigenous Education Foundation.

Thank you once again for your support which is greatly appreciated.

With warm regards,

Andrew Penfold
